420	140	24 X 24	576
540	180	27 X 27	729
675	225	30 X 30	900

We typically find that not all guests are dancing at once, and have developed a general sampling of what works for most of our clients based on their guest count. We assume that approximately one third of your guests may be hitting the dance floor at the same time. If your crowd loves to dance you may want to go a size up, but if not you may be able to get away with a smaller size.

There are many dimensions available as well!
